BOSS SNOWPLOW AND TORO PLEDGE \$125K CAPITAL CAMPAIGN DONATION

BOSS Snowplow, a leading employer and fixture in the Dickinson County community for more than 30 years, and The Toro Company have committed a combined gift of \$125,000 to the upcoming Northern Lights YMCA – Dickinson Center Capital Campaign.

"BOSS and Toro are proud to be part of this community, and we believe in what a strong, vibrant and modern YMCA facility will do for the area. The YMCA is an important hub of activity in our community and a safe place for children and families to have healthy fun. BOSS spokesperson Jody Christy said. "We strongly support and believe in the mission of the Y and we're proud to help their effort to expand and offer even more to the community in the years to come."

With a formal public announcement set for January 2018, the YMCA will undertake its most ambitious fundraising effort in its history in order to renovate, expand and remodel the current YMCA into a state-of-the-art center for the next generation. Visit www.nlymca.com/dickinson for the full story on this generous gift.
