LOCK YOUR RATES UNTIL 2021

Thanks to the tremendous success of our Capital Campaign, the Northern Lights YMCA Dickinson Center will be undergoing a major transformation in 2019!

As the renovation to the Crystal Lake Community Center gets underway, our members may experience some inconveniences from their typical membership experience at the Y. The YMCA staff will make every effort to keep services and programming available at all times, as our staff is making arrangements to use alternate locations within our facility and throughout the community.

We will communicate with you regularly throughout the construction to keep you updated with all changes.

We strongly encourage you to remain active with your membership during this remodel phase, which will conclude in the fall of 2019. Every last cent of the funds raised through the Capital Campaign will be going into the renovation so that we can deliver the most improvements possible to the facility. Your membership directly funds utility costs, staffing, programming and so much more that goes into your overall experience at the Y.

As an incentive to keep your membership active during the YMCA construction phase, we are offering all active members as of Jan. 1, 2019, the opportunity to freeze their rates at the 2018 price until Jan. 1, 2021! We'll also be rewarding our loyal members with other prizes, incentives and surprises throughout the construction period.

You can also stop by the Y beginning in January and sign our loyalty wall. All members who sign the wall and are still active once the construction ends will receive a free T-shirt that signifies your loyalty and support during the remodel!

AQUATICS

SWIM UNTIL APRIL

Beat the cold this winter and enjoy the final months in the 85 degree Northern Lights YMCA pool. New classes and lessons begin in January, so now is the time to register. The pool will be open and operating as normal through April, so take advantage of the final months before reconstruction. Our winter brochure will be available soon, so check out all we have to offer in the water, and help us bid farewell to the old pool which has served this community for nearly 50 years!

THANK
YOU!

Thank you to our nearly 2,500 active YMCA Members for their continued support throughout 2018. Next year is an exciting time for our YMCA, and we pledge to work extra hard to maintain your membership experience throughout our remodel process. We value you as members and hope you stay active in 2019 in a show of support for what is coming!
